

Okpotu Ebere Eunice - Mathematics Tutor

8 Years of Experience | Algebra, Geometry, Calculus, Trigonometry

About Me

Hello, I'm **Okpotu Ebere Eunice**, a passionate **Mathematics Tutor** with 8 years of experience in helping students master key mathematical concepts. I have worked in various schools, and I am currently teaching at **Step Bridge Schools**. My goal is to help students gain a deep understanding of mathematics, not just for exams but for lifelong learning and problem-solving.

Teaching Philosophy

I believe that every student has the potential to excel in mathematics. My teaching philosophy is centered around breaking down complex mathematical concepts into easily understandable steps. By creating a patient and engaging learning environment, I empower students to develop confidence in their abilities. I aim to make each lesson interactive and ensure that every student feels comfortable asking questions. Through personalized teaching methods, I help students relate to and appreciate the beauty of mathematics.

Motivation

I'm driven by the joy of seeing students progress and succeed. The challenge of making math relatable and interesting to young minds is something I truly enjoy. I find satisfaction in transforming what many students view as a difficult subject into something enjoyable and achievable. My move to online teaching was motivated by a desire to reach more students and provide flexible, accessible education that caters to individual needs.

Skills & Expertise

- **Key Skills:** Algebra, Geometry, Calculus, Trigonometry, Problem-solving, Simplified explanations, Adaptability in teaching styles
- **Teaching Tools:** Zoom, Google Classroom, Microsoft Office Suite (Word, Excel, PowerPoint)
- **Math Topics:** Algebra, Geometry, Calculus, Trigonometry

Experience & Achievements

- **8 Years of Experience** in teaching mathematics, both online and in-person
- **Currently teaching at Step Bridge Schools**, where I continue to guide students toward excellence in mathematics
- Helped **countless students** improve their grades, grasp difficult concepts, and develop a positive attitude toward math
- Specializing in **Algebra, Geometry, Calculus, and Trigonometry**

Quiz on Quadratic Equations

Instructions: Solve the following quadratic equations. Show all your work and choose the correct answer for each.

1. Solve the quadratic equation $x^2 + 5x + 6 = 0$:

a) $x = -2, -3$

b) $x = 2, 3$

c) $x = 1, -6$

d) $x = -1, -6$

2. Solve the quadratic equation $2x^2 - 4x - 6 = 0$:

a) $x = -1, 3$

b) $x = 1, -3$

c) $x = -3, 2$

d) $x = 2, -1$

3. Solve the quadratic equation $x^2 - 7x + 12 = 0$:

a) $x = -3, -4$

b) $x = 3, 4$

c) $x = 2, 6$

d) $x = 1, 12$

4. Solve the quadratic equation $x^2 + 8x + 15 = 0$:

a) $x = 3, -5$

b) $x = -3, -5$

c) $x = 1, -15$

d) $x = 5, -3$

Testimonials

"Eunice made math less intimidating. I went from barely passing to confidently solving algebraic equations. She is patient and knows how to break things down so that they make sense." - **Chidima Goodness**, Former Student

"I've watched Eunice grow as a teacher, and I'm always impressed with her ability to adapt to different learning styles. Her students truly benefit from her teaching." - **Mrs. Chukwuemeka Bright**
